Dear Mr. Weisberg:

Please excuse my delay in mailing out the check, you will find the check for PHOTOGRAPHIC WHITEWASH enclosed. I am looking foward to reading it and WHITEWASH IV.

The reason for the letter is, I noticed that, OSWALD IN NEW ORLEANS is out of print. Is there any way I can obtain a copy? That is the only one I am missing in your series. Also in paging through you books, I noticed you may have other publications. I realize this is alot to ask, however could you keep my name and inform me of other, or new publications. I would be happy to foward money before publication, if it ment you could continue with your work, which I think is excellent.

Again, thank you very much for your time and consideration.

Sincerely,

Lee J. Hranicka
